

Meetings of the partners

On **29 February 2012** was held the second online meeting with the representatives of the subcontractor for web services, attended by the project partners' representatives.

During the meeting the subcontractor's representative presented the way of administrating the web portal, according to the User manual, made and submitted in advance.

The partners tested the application in their own section, by loading a job profile.

In the period **27-28 March 2012, in Miskolc**, the second partners' meeting took place and there they presented, analysed and debated the stage of achievements in implementing the project in the first year and also measures, actions for the successful achievement of the activities scheduled in the second year.

In the period **28-30 March 2012, in Miskolc**, the second workshop developed attended by the partners' representatives accompanied by the stakeholders namely: CCI Maramureş (Chamber of Commerce and Industry), AJOFM Maramureş (County Employment Administration), DJS Maramureş (County Statistics Directorate), CCI Borsod-Abaúj-Zemplén, Employment Center of Borsod-Abaúj-Zemplén County, Fazola Henrik Integrated Vocational Training Centre, Transcarpathian Foundation Enterprise Support Fund „Tes Fund”, Regional Employment Center, District Center of Employment but also expert Empirica Kft.

The workshop focused on the stage of achievement of the research activity and the way in which the results of the research were presented on the web portal of the project.

On the same occasion they established the achievement of a strategy to promote the web page and actions to finish the research activity according to the contractual term.
